These cookies are essential to enable the user to navigate through the site and take advantage of its features.

technical

mandatory

These cookies enhance your experience on the site (eg. To remember the choices made by the user, the user name, language), to provide more immediate, personalized online experience. Some cookies of this type may also allow users to view videos, go into a game and interact with social tools such as blogs, chat rooms, forums and social networks.

technical

functionality

They help us understand how users interact with our Internet sites providing information concerning for example the sections visited, the time spent on a page, if you receive error messages from the website. This helps us to improve the performance of our websites. These cookies are used to present the most relevant content to you and your interests. They can be used to display targeted advertising or to limit the number of times you viewed an ad. They also help us measure the effectiveness of advertising campaigns on our web sites.
